**I. DISCUSSION AND POSSIBLE BOARD ACTION SY23/24:**

- a. Expulsion hearing. Travis Wells explained the details and trajectory of student's behavior in conflict with Camelback Academy's Code of Conduct. Student brought an energy drink and wine to school. She shared both with 3 other students. All three students admitted to drinking and all confirmed the same student brought the wine. This student was at the step 2 prior to this incident, however this is a Level 4 behavior which calls for expulsion.

**II. Call to the public.**

Parent admitted that student brought the energy drink but claimed student didn't know what it was. Parent claimed Mr. Wells knew student did not bring wine to school. Parent claimed she wasn't called by teachers on behavior matters. Mrs. Kordon clarified that b/c of the behavior level, calls came from Admin, not teachers. Mr. Wells clarified that he never told mom he didn't believe student brought the wine, but that the energy drink resulted in 3<sup>rd</sup> suspension.

Student admitted bringing energy drink. Student said they did have wine at home because a relative brought it but denied bringing wine to school.

Parent withdrew student after speaking and before motion for expulsion.

**III. ADJOURNMENT**

A motion to adjourn was made at 5:53 PM by Karen Kordon.
