

Arizona Tax Credit Helps Camelback Students

2023 Extra-Curricular Tax Credit Form

You can help Camelback Academy students, from kindergarten through middle school; have the greatest academic success by giving them the opportunity to participate in the "extra"--in extra-curricular activities, including sports, music, tutoring, field trips and more.

You can give kids this opportunity AND lower your tax bill by taking advantage of Arizona's Public School Tax Credit Program. You just choose to pay some of the state income tax you owe (up to \$200 filing single; up to \$400 married, filing jointly) directly to Camelback Academy. Instead of sending all your tax money to the state, you can spend some of it right here, at Camelback Academy to help kids succeed in school. Best of all, in Arizona, you get your tax credit contribution back--**all of it**--when you participate now and then file your tax return.

Your tax credit contribution gives students an extra chance to stay in school, learn more, and do better in their classes. Students who play sports in school are more likely to stay in school and succeed academically. Those who participate in fine arts--actually do better in basic academic subjects, including math! It is also true that students extend their knowledge on field trips.

You can make contributions through April 15, 2024, but our students could benefit from your help right now. So please, make a contribution via check or money order today by filling out the form below. You may bring the form to the main office April 15, 2024 or mail to the address below.

To be eligible for a 2023 Arizona State Tax Credit, your contribution must be postmarked by April 15, 2024.
